PROFILE

Driven by a passion for technology and innovation, I excelled at ARTHA Solutions, where I developed and deployed high-quality software solutions, significantly enhancing system integration through RESTful API design. My collaborative skills, coupled with expertise in front-end frameworks and database programming, led to seamless project executions and user training materials that facilitated easy software adoption.

WORK EXPERIENCE

Associate Engineer

Artha Solutions

march 2024 - present

- Developed well-organized training materials for end-users, enabling seamless adoption of new software features.
- Collaborated with cross-functional teams to develop, test, and deploy high-quality software solutions for clients.
- Maintained accurate documentation of code changes, ensuring smooth handoffs between team members.
- Teamed with business analysts to deliver high-availability solutions for mission-critical applications.
- Contributed to the design and implementation of a RESTful API, leading to easier integration with other systems.

Your Job Position here

Artha Solutions

September 2023 -march 2024

- Supported team members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments.
- Gained valuable experience working within a specific industry, applying learned concepts directly into relevant work situations.
- Sorted and organized files, spreadsheets, and reports.
- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set.
- Explored new technologies and approaches to streamline processes.
